Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There are ETs who live and work among us and care about us The Artist and the Alien is a true story. It begins with a teacher from the planet Sirius who has lessons for us all. In 1970, while living and working on Earth, he selects an artist to paint past civilizations that have destroyed themselves, and offers an antidote: compassion. His message warns us, even as it conveys hope-as Earth and its inhabitants go through the shift. The vehicle of this message is Shirl, a Canadian woman who grew up feeling different. Looking like us, and using the cover of electronics repairman in a second-hand shop, the alien called Frank, prepares his student for her future mission (should calamities befall the Earth). For two years he personally guides her in her psychological, spiritual and artistic development, and gives her on leaving, various artifacts including eight copper plates inscribed with his alien writing. Afterwards, she and her art are forever changed. The author delves into the metaphysical/UFO relationship; the connection of guidance with synchronicities; the Indigo,...
