WHAT THE HELL IS A GROOM AND WHAT S HE SUPPOSED TO DO? (PAPERBACK)

Andrews McMeel Publishing, 1999. Paperback. Book Condition: New. Original ed.. 208 x 137 mm. Language: English . Brand New Book. Among the hundreds of wedding planner guides out there, there are few that focus solely on the groom and his responsibilities. What The Hell Is A Groom and What s he Supposed to do? lays out what to do, how to do it, what to avoid, how to think about x, y and z better than any of the wedding books aimed at brides. What The Hell Is a Groom and What s he Supposed to do? explains the wedding process from the guy s perspective. It examines each phase of the entire betrothal and wedding from buying a ring to getting engaged to planning the wedding, the big day and after. There isn t much about dresses, flowers or cake, but it does highlight those things that a groom is responsible for and where he should inevitably be involved in the planning. It details exactly how to keep peace within the new family and how to establish a great working relationship with your fiancée right from the beginning, through techniques like, the right of first refusal and brownie points .
