Brand New Book ***** Print on Demand *****.Interested in basic understanding of the psychological structure of mankind? Interested in human motivation and its consequences? Here is a serious book developing the understanding that man is a four-fold being consisting of heart, spirit, soul, and body. A concise look at how American moral values have changed. Examples from past, defunct civilizations and well as Biblical examples takes the reader down the path to where America is headed. The author, a man of past intellectual professions and diverse interest, offers the solution to again bring us to the roots of our origin and the abiding principles that led us to be a Great Nation Under God. The author presents the understanding that the body of a man is the home of the soul, which is the gateway to the spirit, and deep within the spirit is the heart, the fundamental essence of man. This concept is developed from the structure of the Tabernacle/Temple of the Jews. From the understanding that the tabernacle is a shadow picture of the per-incarnate Jesus Christ, as living among the Israelites as they wandered in the desert of Sinai, and man made in the image of God, man then is composed of body, soul, spirit, and heart. The author acquired unique insight from the Bible. He describes the four-fold relationships as heart dominated functional relationships in four interacting convoluted realms. The author contrasts paired spiritual-rooted monogamous marriage as commanded by Jesus Christ, with the culture of fornication practiced by ancient Greeks, Romans, rebellious Israel, and modern Americans. Historical examples are presented of the destruction of early American cultures which practiced fornication, sexual immorality, and human sacrifice. God s supreme rule as...
