Cooking with Gas

By Jean Nel

Jacana Media (Pty) Ltd. Paperback. Book Condition: new. BRAND NEW, Cooking with Gas, Jean Nel, Best-selling author of Braai the beloved country, Jean Nel is back with his considered and expansive book on getting the best out of your gas braai. The braai veteran has put together a collection of stunning, crowd-pleasing recipes that gradually teach you how to use your shiny new gas braai. "I've been cooking on open fires for a long time. Admittedly I'm a bit of a purist, insisting on making a wood or charcoal fire, but when I moved from cooking socially to catering my braai became a work tool. So I moved to gas." With a 40% rise in gas braai sales in 2013 alone, it looks like South Africa is moving to gas braais too. They are simple and convenient to use, and they are much cleaner to operate than their smoke-belching cousins. Switch on, set the heat where you want it, and you can cook for hours. The idea for a book called Cooking with gas came from Jean's ongoing research into the art of cooking outdoors. Looking for new and interesting techniques or recipes leads him to the cookbook section of...
