BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. GAO reviewed the International Development Cooperation Agency (IDCA) Trade and Development Program (TDP) to assess TDP effectiveness in achieving its dual objectives to foster development overseas and to promote U. S. exports of technology and services for development projects. GAO found that: (1) with available data it is difficult to demonstrate the extent to which TDP has contributed to development in developing countries or to increased U. S. exports; (2) more systematic data collection and evaluation procedures are required; (3) coordination between TDP and other trade and development agencies requires strengthening; and (4) TDP personnel problems could affect program effectiveness. If TDP is to achieve its objectives, increased management attention should be focused on solving these problems. Future funding may be made contingent upon whether TDP proves that it is meeting its objectives and is operating effectively. This item ships from La Vergne, TN. Paperback.
