Quercus Books, United States, 2015. Hardback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book. In 1997, Oxford graduate, working mother and Times journalist Rachel Kelly went from feeling mildly anxious to being completely unable to function within the space of just three days. Prescribed antidepressants by her doctor, and supported by her husband and her family, Rachel slowly began to get better, but her anxiety levels remained high, and six years later, as a stay-at-home mother, she suffered a second collapse even worse than the first. Throughout both of Rachel's periods of severe depression, the healing power of poetry became an integral part of her recovery. As someone who had always loved poetry, it became something for Rachel to cling on to in times of need - from repeating short mantras to learning and reciting entire poems - these words and verses became a powerful force for change in her life. In *Black Rainbow* Rachel analyses why poetry can be one answer to depression, and the book contains a selected 40 of the poems that provided Rachel with solace and comfort during her breakdown and recovery. At a time when mental health problems and depression are becoming more common, and the stigma around such issues is finally being lifted, this book offers a lifeline for anyone seeking to understand depression and seek new ways to treat it. Poetry is free, has no side-effects and, as Rachel can attest, prescribing words instead of pills can be an incredibly powerful remedy.
