## A BRIEF HISTORY OF WASHINGTON STATE (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Washington, the evergreen state, is a land of mountains, rivers, deserts, lakes, forests and ocean coastlines. Its history dates back to the Native Americans who first occupied this area and extends to the modern day era of technology and business. It has the reputation of being very progressive and is touted as one of the leading bellwether states in the nation. Although there are countless pieces of documented history, no book has been written to encompass the rich and full history of its past-as well as to incorporate its modern day influence on the country. Its greatest asset is the natural beauty contained within its borders.
