Createspace, United States, 2014. Paperback. Book Condition: New. Doug Offenbacher (illustrator). 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. How could all those social scientists and military experts have been so wrong about the likelihood, or the inevitability, of nuclear war? And will this grace period, that has lasted so many decades, soon come to a disastrous end, and those dire predictions so universally feared at last become a reality? Answers to these questions are not easily available, nor, when offered, are they ever entirely convincing....
