*****.I loved coloring as a child and I love it today. This book is made to draw in and color and you don t have to stay in the lines if you don t want to. If you want to make copies it is ok for class rooms ect. As long as you don t sell them or use them for Commercial sales. These drawings will de-stress you. Make you relaxed and calm. It is so peaceful just sitting and coloring.

Each of the drawings is specially printed on a single page with the reverse left blank so you can cut out and use your picture for displaying or framing. As always enjoy yourself.
