All of these difficult emotions come rushing into our lives and try to take over. They piggyback on chronic illness and are besties with disability. There s no way to avoid the ugly when you live with chronic illness, but we don t have to fall or climb down into the hole they leave in our lives. I want to share what God has taught me since learning I have a chronic illness. In this book, I have compiled 30 of my devotionals that best address the darker emotions that pair with our new normal, complete with discussion questions following each one.
