

Miracles and Physics (Paperback)

By Stanley L. Jaki

Christendom Press Books, United States, 2004. Paperback.
Book Condition: New. 180 x 109 mm. Language: English . Brand New Book. Two dangers confront the modern Christian regarding the apparent conflict between the role of miracles and the rigors of modern science. First, a naivete that forces such shallow methods upon the scientific disciplines that the result is the evaporation of both reason and miracles. Second, the inherently irreligious spirit that empties the world of wonder out of homage to an outdated rationalism. Scientist and theologian Stanley Jaki makes a case for recognizing the needs of modern science and of establishing a proper understanding of the miraculous in history.

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

-- **Doris Beier**

This ebook is wonderful. It typically does not expense too much. You won't really feel monotony at any time of your own time (that's what catalogs are for relating to should you request me).
