

## Selection and Use of Contract Research Organizations: A Guide for the Pharmaceutical and Medical Device Industries (Hardback)

By Shayne C. Gad

Taylor Francis Ltd, United Kingdom, 2003. Hardback. Book Condition: New. 236 x 162 mm. Language: English . Brand New Book. Choosing the right contract research organization (CRO) can make the difference between getting a product to market quickly and cost-effectively, and wasting valuable time and money. The vast number of available CROs is increasing all the time, and all of them make impressive claims. The Selection and Use of Contract Research Organizations is your essential guide to choosing the best provider. A history of the CRO industry, audit checklists, and overviews of both the pharmaceutical and medical device development processes create a comprehensive overview of how to successfully select and manage a CRO for your project. The book also discusses: \* Guidance for selection, protocol and contract development, project management and monitoring of work \* Common pitfalls and problems - how to avoid them, and how to solve them if they do occur \* How to integrate efforts between groups to achieve the greatest cost effectiveness while maintaining quality and timely production \* Prototype forms and templates for increasing coordination between multiple working groups \* A series of appendices covering hundreds of prominent service providers worldwide, including contact information \*...
