STRIKER JONES TEACHER S COMPANION (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.The Midwest Book Review calls Striker Jones a fun and rollicking series with effortless teaching of both cooperation values and basic economics. Read reviews by real teachers at The Striker Jones Teacher s Companion is a self-contained economics curriculum for elementary school students. Containing the full first Striker Jones novel, it is aligned to Common Core reading and language arts standards (for teachers who must follow Common Core), as well as the microeconomic voluntary national economic standards set by the National Council on Economic Education. Organized according to the ten chapters in the book, each lesson explores the economic concepts raised in Striker Jones. The lessons include vocabulary, discussion topics, fun group activities, and individual assignments. Concepts covered include supply and demand, goods vs. services, incentives, trade-offs, opportunity cost, competition, risk and benefits, barter, information asymmetry, diminishing marginal utility, benefits of trade, prices, profits, public choice, scarcity, and voting. For additional concepts, see the second in the series, the Striker Jones and the Midnight Archer Teacher s Companion! Best of all, this curriculum does not require any previous knowledge of economics on the educator s part. It s ready to go! Striker Jones is an excellent text for older elementary students beginning to grasp more and more complicated economic concepts. Through its easy flowing narrative with lots of conversational dialogue, children will learn to see that economics affect their daily life far more than they realized! - Rutgers University Project on Economics and Children.
