A ring of evil buried in an ancient forest, the Devil s Dance belongs to the country of the Melungeons, that strange race of outcasts whose prehistoric origin is unknown. When Christine arrives at the ancient mansion where her sister s staying, she hears all the lurid stories about the curious country folk. Then she discovers she has a Melungeon name herself. Will this be her ticket to a final dance with death? Another great read by a master storyteller. Banis brings to life another world and another way of living, and makes us believe we re there ourselves. First-rate entertainment! -Robert Reginald. V. J. BANIS is the author of 150 books, including classic gothic romances and major historical novels, many of them being reprinted or published by the Borgo Press imprint of Wildside Press.
