GALLIPOLI: THE LANDING (PAPERBACK)

[DOWNLOAD](#)

Z Beach, Australia, 2012. Paperback. Book Condition: New. Mal Gardiner (illustrator). 295 x 210 mm. Language: English . Brand New Book. The Gallipoli legend that we know is not our own. Somehow, we have stolen the British experience of a dawn slaughter on a beach further south, under Turkish guns. The Australian landing on Z Beach, our allotted coast, was tactically brilliant. ANZAC officers planned their own amphibious assault without the interference of British officers, who were content to row ashore in daylight against a prepared enemy. Z Beach True Comics presents the facts. Issue No. 1 - Gallipoli: The Landing - is a non-fiction account of how ANZAC officers used all available intelligence to plan a surprise night assault using stealth. This graphic narrative follows the roles of espionage, spying, and the use of aerial reconnaissance which provided ANZAC officers with the military intelligence to plan an effective assault despite an heavily defended coast. Few know that ANZAC Headquarters tasked the world s first aircraft carrier, HMS Ark Royal, to assist in the landing. Gallipoli: The Landing follows the story of how seaplanes, and later wheeled aircraft based on the island of Tenedos flew across Gallipoli locating enemy defences. The story describes how Major General William Bridges, commander of 1 Australian Division, included these intelligence reports to craft a silent night assault in order to get his men onto Z Beach alive. Old rumours, such as the wrong beach, are killed. Gallipoli: The Landing takes the reader on a factual journey through the recruitment, training and despatch of ANZAC to a hotly contested shore on the Gallipoli peninsula. Cleverly, original source documents: army orders, battalion diaries, soldiers letters and personal diaries are woven into this gripping pictorial narrative. The story follows the ground breaking non-fiction book by Squadron Leader...
